Thank you for considering taking part in this research. This form is to confirm that you understand the purpose of the project, and what is involved, and that you are happy to take part in an interview. If you have any questions arising from the Information Sheet about this project and the interview, please ask the researcher before you decide whether to participate. All your answers during the interview will be stored safely and anonymized in the DThM thesis and in any other published material or presentation arising from this research, as detailed in the Information Sheet.

The interview itself will involve the researcher asking you and several others in a focal group several questions about your participation in the Course of Study and inviting you as the interviewee to answer them, as well as supply other information you feel relevant to the topic. A further component of the research will be an invitation to explore your experience in the Course of Study through the selection of pictures to share verbally and visually about how you have experienced the Course of Study (see information on pictures on the Information Sheet provided). The interview will last from 75 to 90 minutes and will be audio recorded. Your picture will be photographed. A picture of you will also be taken, per your consent.

Please initial each box to indicate your agreement:

I confirm that I have read and understand the <b>Information Sheet</b> dated [dd/mm/yy] and the privacy notice for the above project.	
I have had sufficient time to consider the information and ask any questions I might have, and I am satisfied with the answers I have been given.	
I understand who will have access to the personal data I provide, how the data will be stored, and what will happen to the data at the end of the project.	
I understand that my participation is voluntary and that I am free to withdraw at any time prior to the completion of the project, without giving a reason.	

I understand that my data will be anonymized prior to publication.	
I agree to the publication of anonymized quotes from the interview.	
I understand that the interview will be audio recorded and then transcribed and that recordings will be stored safely and securely and destroyed upon completion of the project	
I understand that the picture I select within the interview will be photographed.	
I understand that if I withdraw at anytime during this process that all the data I share will be immediately excluded from the research and deleted.	
I agree to take part in the above project.
